ALMA MATER

Oh, Alma Mater here today,

We for thy lasting blessing pray,

We know not where our paths may go,

But thou'lt uphold us still we know,

Unchanging thou, 'Mid changes vast,

Unswerved from ideals of the past

Steadfast and true,

Our watch word e'er shall be,

To thee our Alma Mater LOYALTY.

The past is present in the future. A wise man once wrote..."O time, arrest your flight! and you, propitious hours, arrest your course! Let us savor the fleeting delights of our most beautiful days."

It is my sincere hope that your high school years have helped you to learn one of life's most important lessons, the wise and profitable use of the priceless asset -- TIME.

Mr. James Otto Lancaster, Jr.

**Superintendent,
Concordia Parish Schools**

Time has a way of dragging with young people to the extent that, at times, a day seems like an eternity. Your four years in high school probably has seemed unending to some of you. Later in life, when an hour appears to be only a few minutes long, you will look back upon your high school days and think of these four years as the best years of your life.

We have tried to make these years profitable ones for you, and at the same time happy ones. Only time will tell whether we have been successful, and only you can be the judge of that success.

Mr. Walter L. Stampley, Jr.
Principal,
Vidalia High School

Annual Staff

It has been said that one opens a good book with anticipation and closes it with profit. The basic idea in planning the VIKING has been the creation of a book that will meet those requirements.

Thoughtful moments and joyful times have been selected as parts of the story of the 1966-67 school year. Each page will serve as a reminder of some person or event.

MARGIE COWAN, Editor

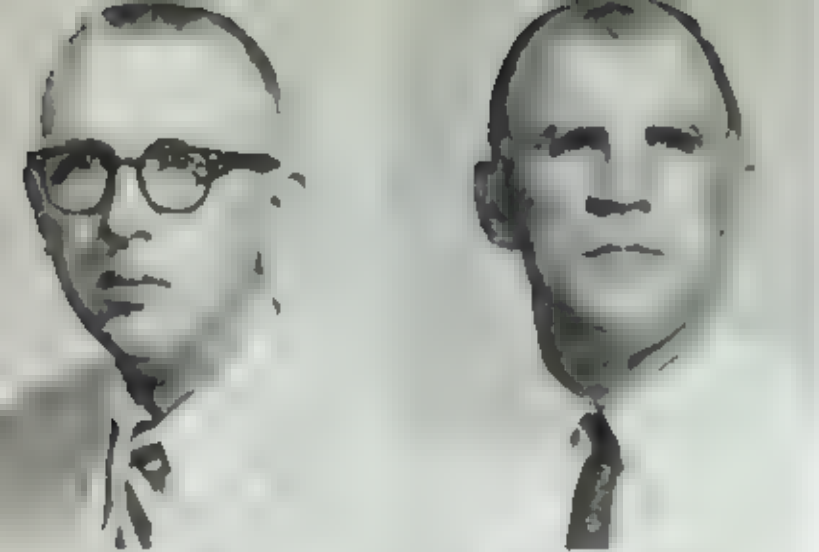

MRS. HELEN SPENCER, Sponsor

The staff hopes you will begin reading the history of this year with a great deal of anticipation. When you close the book, it is hoped that you will have reaped a profit of renewed memories of the days of the school year 1966-67.

CONGRATULATIONS SENIORS

We are proud to
 announce the
 graduation of the
 following seniors
 from Natchez High School
 on June 10, 1964.

INTERNATIONAL PAPER

NATCHEZ, MISSISSIPPI

COMMENCEMENT AND RETROSPECT

Now you have come to the commencement
time

You have struggled for twelve long years or
more.

You have surmounted obstacles of all kinds
And have passed subjects and tests galore.

Let us wander back down memory lane
And look at you as the years passed by
At six your formal education began,
Your separation from home often made you
cry.

From the Elementary to the Junior High you
progressed.

Sometimes your knowledge seemed to be not
enough.

At last to the High School you came, you
thought to rest.

But you found the courses varied and tough.

Your High School days are now almost com-
plete

You have gained a spot of glory.

This is a time and feeling hard to beat.

We sincerely hope that it is not the end of your
story.

As you prepare to launch your ship on the sea
of life,

May you not forget that you are never alone.

Though your life may be filled with trials and
strife,

There is an unseen partner who will forever
guide you home.

So go forth, the world is waiting.

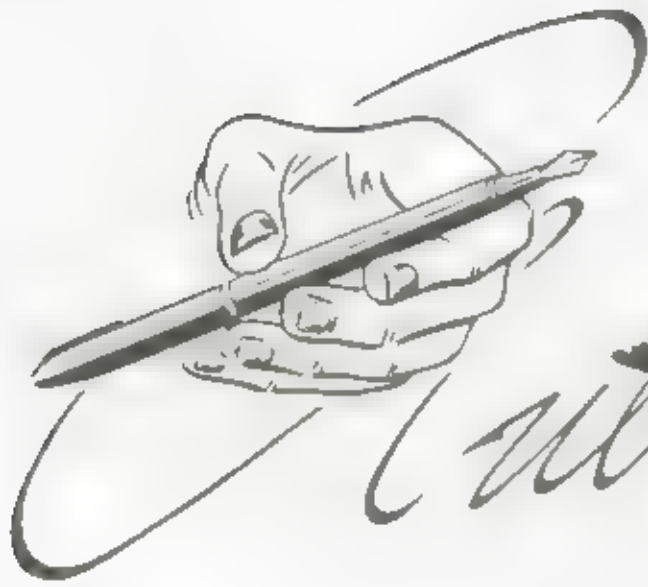

There are problems to solve and horizons to
reach.

May you not be one who is hesitating,

And in the end you may decide to teach.
